

Dear Friend:

I am very pleased to announce that the Dignity Memorial Vietnam Wall, a traveling three-quarter-scale replica of the Vietnam Veterans Memorial in Washington, D.C., is coming to Huntington for exhibition on October 1, 2 and 3, 2010.

The memorial is dedicated to Vietnam veterans and honors all service men and women of the U.S. military forces. Dignity Memorial created the memorial as a service to those who might never travel to the nation's capital to experience "The Wall" firsthand. The 240-foot long, eight-foot high, faux-granite replica contains the names of more than 58,000 Americans who died or are missing in Vietnam.

The exhibit is free and open to the public 24-hours a day. A strict non-solicitation policy is enforced at all times. Each exhibition of the memorial wall relies on the support of local veteran groups, civic organizations and area businesses. Both monetary and in-kind donations are needed to help offset the cost to bring the Dignity Memorial Vietnam Wall to Huntington.

Please consider making a donation to help support this great event. In appreciation of your donation, we will acknowledge your company's contribution in media advertising, printed materials and announcements.

We are also signing up volunteers for this week-long endeavor along with those wishing to donate food/beverage products. Please call for details about volunteer opportunities.

With your support, the Dignity Memorial Vietnam Wall is sure to be an unforgettable experience for all. If you have any questions, please do not hesitate to contact me at 631-351-3171.

Sincerely,

Mark Cuthbertson, Councilman,  
Town of Huntington
